

THE FLASH City of Talent

An update from City Administration, Planning, Public Works and Police Departments

The Flash, which occupies the following two pages, is a publication of the City of Talent and is editorially separate from the rest of the Talent News and Review. All content and editorial choices contained in the rest of the paper are the sole responsibility of the TNR and are not in any way associated with the City of Talent. -JG

From the Mayor's Office

You may have noticed our Talent's street sweeper making its way around Talent. That is one purchase that went to work on day one! We are saving money already.

Elected and appointed officials, as well as the volunteers are always spread thin, but we still manage to accomplish great things. We couldn't be so productive in Talent if it wasn't for the amazing support of the equally hard working City Staff.

City officials approved the "No Smoking in Parks" Ordinance, we endorsed measure 15-141 to preserve public transportation that Talent is so dependent on and we approved the repair of tennis courts in Chuck Roberts Park. Council also opted to participate in a grant application to continue large scale cleanup efforts on Wagner Creek. We adopted City Goals, updated system development charges and we had the privilege of judging the Fair Housing Coloring Contest.

On the volunteer front, the Arbor Day celebration and planting of 10 new trees in Chuck Roberts Park in the Little League Parking was a huge success because of a great collaboration of several organizations. Another fun celebration was the dedication of the Talent Pollinator Garden. Even though it rained, a great crowd quickly relocated to Town Hall where we gave heartfelt gratitude for all that has been done to be part of the solution for our hard working pollinators. On May 7th, there is the City Wide Yard Sale and Recycling Round-Up to look forward to. The Southern Oregon Grape Fair is ramping up for the June 5th event and they always need volunteer help. Please consider volunteering for this super fun event by calling 541-535-3837 or visit the website at: Southernoregongrapefair.com. Thank you Team Talent for all that you do!

I want to give a shout out to the Talent Historical Society. The all volunteer board, is shaking things up. They need your support to sustain their amazing efforts. Please stop by the museum at 105 N. Market next to the library. They are updating, having enjoyable history events and making other changes to keep Talent's history alive. If you haven't joined as a member; the dues are modest and now is the time to offer your support.

Finally, please join me in a mighty thank you to Talent Police Chief Mike Moran for his years of dedicated

New Talent Police Chief Whipple, sworn in on April 20, 2016

service to Talent. He will be missed!

There are City Commission and Committee vacancies. Learn more at www.cityoftalent.org or stop into City Hall.

**Grateful to serve

From the Parks and Recreation Commission

Save June 4th on your calendar, because that's the day the City will kick off the summer with Opening Day of the Splash Pad at Chuck Roberts Park. We will have much to celebrate that day, in addition to the return of water fun. The tennis courts will be resurfaced by then, and we will officially acknowledge our new walking trail. Has anyone noticed that the cracks at the basketball courts have been sealed and the lines repainted? Please note that the Splash Pad might be activated before June 4th if the weather is already hot, but June 4th will be the day of celebration. See you then!

News from Talent PD

By Chief Whipple

For this Flash newsletter I would first like to thank Chief Mike Moran for his exceptional dedication to duty and service to the Citizens of Talent for the last eight years. Chief Moran will be missed.

To introduce myself to the Talent Community, I come to the Talent Police Department via several local police departments. I was raised in the Rogue River area and after serving in the US Army I returned to the Rogue Valley. I worked as a Police Officer with the City of Rogue River from 1989-1994, with the City of Central Point Police Department from 1994-1996 and with the City of Medford Police Department from 1996-2016.

During my tenure at the Medford Police Department I have held many assignments including Patrol Division Commander, Swat Team Commander, Administrative Sergeant, Patrol

Sergeant, K-9 Sergeant, Field Training Officer and Drug Recognition Expert. I most recently assisted in developing and implementing a Crisis Intervention Training Program for police officers throughout Jackson County.

I look forward to serving the citizens of Talent and will strive to deliver high quality law enforcement services to the community.

I also want to notify you the next drug takeback event which will occur on April 30, 2016 from 1000-1400 hours at the Talent Police Department. Items that may be dropped off include controlled, non-controlled and over the counter medications. However we cannot take IV solutions, injectable, syringes or chemotherapy medications. If you have any questions, feel free to give us a call.

Grand Community Effort for Talent's 16th Arbor Day

To celebrate Arbor Day this year, 10 Armstrong Maple trees were planted at the far edge of the Little League Complex at Chuck Roberts Park. This was the biggest planting yet for the Arbor Day event in Talent, the result of generous contributions and efforts from an array of organizations and individuals. At the ceremony on April 9, Mayor Darby Stricker read the Arbor Day proclamation, accompanied by nicely timed cheers from nearby baseball games. Matt Krunglevich from the Oregon Department of Forestry presented the Tree City USA banner, which Talent has earned for 16 consecutive years.

Many youthful baseball players pitched in to help plant trees, purchased with funds generously donated by Phoenix Talent Little League, Pacific Power, Rogue River Watershed Council, Jackson Soil and Water Conservation District, and Joe Wismann. Planting holes were dug ahead of time by Talent Public Works, and the tree planting was organized by Zac Moody, Talent's community development director and president of Phoenix Talent Little

League. Together for Talent's Friends of Trees, led by Sharon Anderson, contributed saplings from the city tree nursery for adoption. Arborist Chris John was on hand to direct the planting of the maples and answer questions. Information tables included City Storm Water Management, Recology Leaf Disposal, Rogue Climate Talent, and Klamath Bird Observatory. The weather was balmy and atmospheric cello music was provided by Daniel Sperry.

Recreation Programs. The commission meets the 2nd Wednesday of each month at 6:30 p.m. at the Community Center. Members are active in raising community awareness of use of City parks and the importance of participation in recreational activities.

News From FD5

By Chief Welburn

We have responded to a number of traffic accidents over the past year that involved older drivers who were unable to maintain proper control of their motor vehicle. Some appear to have been medical related and others involved moments of confusion where the brake and gas pedals were confused.

Driver safety can often be a sensitive issue for older drivers. A driver's license signifies more than the ability to drive a car; it is a symbol of freedom and self-sufficiency. Understandably, driving is not a privilege that anyone wants to relinquish willingly. Still, safety must come first.

Some older drivers may be aware of their faltering ability but still be reluctant to give up driving completely. Another person's concerns may force the senior driver to act. They may even feel relieved to have someone else help make the decision to stop driving. Some seniors may forget that they aren't supposed to drive. If that is the case, it is even more important to remove the car or the keys to make it impossible to drive. If you find yourself in the position of talking to an older friend or family member about their driving, remember the following:

Be respectful, but don't back down if you have true concerns with their ability to drive.

Give specific examples of what you have noticed.

Gather the support of friends, family, and perhaps their family physician.

Help them find alternatives to driving and understand that this is a difficult transition!

Remember your actions as a friend or family member may prevent a tragedy!

**WANTED- COMMITTEE & COMMISSION MEMBERS
Talent Public Art Committee (TPAC)**

Currently TPAC is looking for 3-4 volunteers for specific projects and/or to become TPAC members to enjoy a greater hands-on involvement in developing the arts in Talent.
