NOTICE OF PUBLIC MEETING

HOUSING NEEDS ANALYSIS CITIZEN ADVISORY COMMITTEE MEETING

WEDNESDAY, AUGUST 10, 2016 AT 6:00PM
TALENT TOWN HALL
206 E. MAIN STREET

The City of Talent has been working with ECONorthwest to develop a housing needs analysis to identify housing demand, estimate future housing needs, and formulate local policy to meet the housing needs in the City of Talent.

The analysis includes a housing market analysis that considers the projected population growth, the effect of national and regional demographic and socioeconomic trends on housing need, national and regional housing trends, housing affordability, and local housing policy. The study also includes an inventory of residential buildable lands.

This will be one of many opportunities the community will have to ask questions and express ideas or concerns.

Questions about the project should be directed to Zac Moody, Community Development Director, City of Talent at 541-535-7401 or by email at zmoody@cityoftalent.org. More information is available at www.cityoftalent.org.
