

TALENT FRIENDS OF TREES – Promotes and cares for trees in Talent.

Activities include celebrating trees, assessing existing trees, planning future tree locations, helping provide trees for private and public planting and providing information to the community on tree selection, planting, care and pruning.

Talent Friends of Trees Arbor Day Events - Public tree planting and other fun, informative activities.

Cherished Trees of Talent Survey – Identifying and celebrating our special trees

Talent Community Tree Nursery – Rescuing, raising and giving away seedlings
