B8-1W-			
B8-1W-			

Subzone (if applicable) _____

Description of Work:

1. Site plan including the base flood elevation, previous building footprint, and location of any grading, excavation, and debris piles is attached? Yes No
2. Identify the Flood Zone and Panel Number identified on the FIRM panel of the area of the proposed development.
Zone _____ Panel Number _____
3. Will demolition debris be stored in the Special Flood Hazard Area (SFHA)? Yes No
4. If yes to #3, how long will the debris be stored in the SFHA _____ Days
5. Is the proposed debris removal activity within an identified floodway? Yes No
6. Will any site grading, excavation, or fill activities take place? Yes No
7. If yes to #5 & #6, is a "No Rise Certification" with supporting data attached? Yes No

I hereby certify that the statements and information contained in this application, including the enclosed drawings and the required findings of fact, are in all respects, true and correct. I understand that all property pins must be shown on the drawings and visible upon the site inspection. In the event the pins are not shown or their location is found to be incorrect, the owner assumes full responsibility.

I further understand that this floodplain review only applies to debris removal activities approved through a Debris Removal Permit and that a separate floodplain review is required for development prior to the issuance of building permits.
